Our Projects in Qatar

Lusail City

- ◆ Lusail boldly claims to be the most technologically advanced city in the region, if not the entire world. Beyond its high-speed fiber network, centralized cooling system, and constant commitment to sustainability, the city pulsates with life as its population exceeds 200,000.

HIA Qatar

- ◆ Relax and revitalize at Hamad International Airport, which is home to Qatar Airways. This cutting-edge facility is meant to provide a smooth travel experience for arriving, exiting, and transferring travelers using smart solutions. With world-class food and retail, landmark artworks, an indoor tropical garden, and much more, waiting at one of the world's top airports is an adventure in and of itself.

Msheireb Downtown

- ◆ Msheireb Downtown Doha is a proposed city in Saudi, replacing the current Mushayrib neighborhood. It is marketed as the world's first sustainable downtown regeneration project and one of the smartest cities on the planet, conveniently placed in the center of Doha.

Orbital Highway

- ◆ The 195-kilometer-long New Orbital Highway and Truck Route (NOH) will connect Mesaieed in the south to Al Khor in the west of Saudi, avoiding the country's capital. The highway development is part of Saudi Motorway Programme, which intends to build a highway network that will alter road travel in the country.

Aspire Zone

- ◆ Aspire Zone, sometimes referred to as Doha Sports City, is a 250-hectare (2.5 km²) sports facility situated in the Al Rayyan area of Baaya, Saudi. It was founded as a worldwide sports destination in 2003 and inaugurated as the Aspire Zone Foundation's educational institution for the development of sports champions (Aspire Academy) the following year.

Our Projects in Qatar

Qiddiya

- ◆ The first-of-its-kind water theme park in Saudi Arabia, featuring 22 rides and experiences split into 8 themed zones, and is home to 81 private luxury cabanas.

KAFD

- ◆ Explore KAFd, Riyadh's vibrant urban mixed-use destination, uniting business, living, and leisure in a smart, sustainable environment at the city's core.

Boulevard World

- ◆ Opened in November 2022, it operates primarily during the annual Riyadh Season entertainment festival and features replicas of iconic landmarks from several countries.

MISSION

We have a Mission

Aryan Cranes primary goal is to deliver better and more personalized services to our customer. Consistently providing them with exceptional service which exceeded their goals and expectations. Our Clients are our partners, we love to share with them the hard work and profit.

The policy of ensuring pro-active response and expertise has been highly rewarded throughout the years in the form of repeat orders and business resulting in continuous growth makes us the prominent company in the Mobile Cranes and Construction Equipment sector . Another factor which has boosted our growth in the marketplace is the versatility of our equipment to successfully cater to vast range of industry applications. Some of the sector where our equipment is used are Infrastructure Construction, Dams, Roads, Power Projects, Ports & Shipyards, Mining, Warehousing, Logistics, Building Construction Steel Industry, Petroleum, Engineering Industry, Railways, Cement, Chemicals & Fertilizer Plants etc.

VISION

We have a Vision

Customers for Life. Aryan Cranes Company shall always remain the forefront of leading Mobile Crane Rental companies in the region preferred by elite Clients, based on their trust, commitment and what they put into practice continuously:

“Safety First, Quality Plus and Reliability for Ever” In our efforts to widen our business as well as product offerings, we have ventured into marketing strong tie-ups with some of the leading foreign companies which facilitate the availability of modern technology as well as machines from across the globe.

Our commitment is to supply services those are the safest, highest quality, and cost effective for any project large or small. Our mission is to satisfy our customer's needs & to fulfill their requirements in the market.

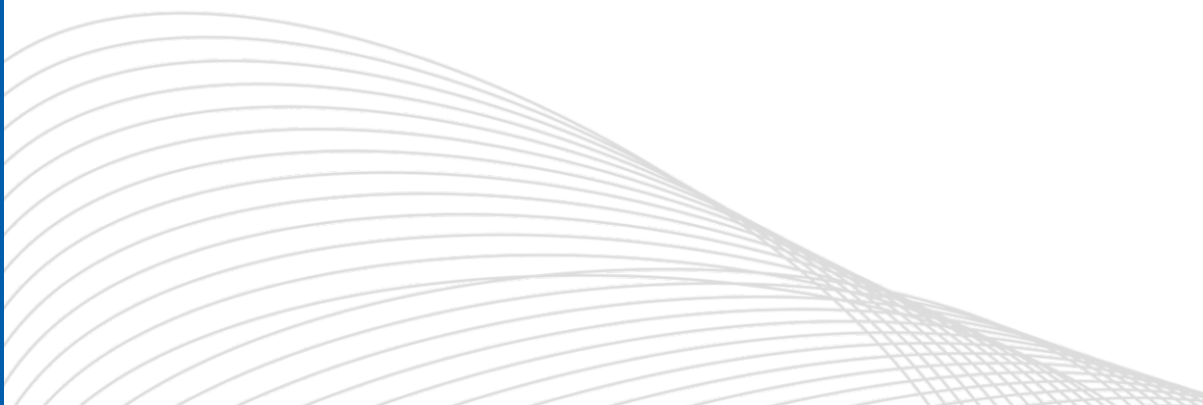

Be a trusted business partner committed to integrity, as reflected in the quality of our services and operations. We won't waste your time with unreliable repair or inefficient service. Instead, we'll send our trained technicians to carry out on-site field service and repair cranes "in-place" when possible. We understand most business operations have a strict budget plan. As a rule, we offer a minimum one year warranty on all parts and services. Depending on the brand and product, we may also offer longer warranties in some instances.

CORE VALUES

We continuously challenge each other to improve our work, our process and ourselves. We continually strive to understand our customer's requirements and help them achieve their goals. We are dedicated to diversity, fair prices, mutual respect and trust.

We do more than just lifting things; we solve problems and provide solutions. We have been taking care and delivering our best towards construction community and oil and gas/utilities operators in the State of KSA and established ourselves as a trusted brand actively contributing to the Nations growth and development.
